# New Trial is Granted In The Summey Case

VERDICT OF \$2,500 AGAINST THE COUNTY IS SET ASIDE

## RECESS TAKEN

Court Will Take Recess Until Friday Morning, October 15.—Turner Got Verdict.

Judge Ernest Moore yesterday afternoon granted a new trial in the case of Summey versus Anderson county in which a verdict of \$2,500 was returned for the plaintiff this week. The argument for the new trial was made by Mr. K. P. Smith, county attorney, and it was granted by the judge on the grounds that the evidence submitted was not sufficient for the verdict.

It will be remembered that Mr. Summey was suing Anderson county for \$6,000 for injuries alleged to have occurred to his wife when the wheel of a buggy in which she was riding ran into a hole in a bridge in Garvin township.

The case was tried at a recent term of court and Judge Memminger ordered a non-suit after the testimony for the plaintiff had been concluded. The fact that Judge Moore has granted a new trial will be read with interest by people all over the county. This was a big verdict against the county and everybody was very much interested in the outcome of the motion for the new trial.

**Court Takes Recess.**  
Yesterday afternoon about 5 o'clock the jury in the case of G. E. Turner against the Blue Ridge railway returned a verdict for the plaintiff in the sum of \$950. Mr. Turner was suing for \$1,460. This case occupied the greater part of yesterday.

After the conclusion of the Turner case the attorneys in the case of Burnett against the Equinox mill announced that they had reached a settlement.

The remaining time was occupied with motions for new trials. At 6 o'clock Judge Moore announced that the court would take a recess until Friday morning, October 15, and that all jurors were excused. When court resumes work again cases in equity will be heard.

# NEGRO WAS KILLED YESTERDAY MORNING

GEORGE WHITMAN SHOT BY CHARLIE DONALDSON

## INQUEST HELD

And Donaldson Was Placed in County Jail By Deputy Sheriff Olin Sanders.

George Whitman was shot and killed by Charlie Donaldson in the Five Forks section yesterday morning about 9 o'clock, both parties being negroes. Deputy Sheriff Olin Sanders and Coroner Hardin went to the scene and returned last night. The verdict of the coroner's jury was that Whitman came to his death by gunshot wounds in the hands of Charlie Donaldson. Donaldson was brought to the city and placed in the county jail.

It appears that yesterday morning there were four or five negroes at a saw mill in the Five Forks section and that Whitman came up with a shot gun. Shortly afterwards Donaldson got hold of the gun, either by force or otherwise, and that Whitman was either shot in the scuffle for the gun or after he got his hands on it. Immediately after the shooting Donaldson went to the office of a magistrate and surrendered.

The negroes at the inquest all stated that Whitman was killed in the scuffle, but there seems to be an opinion that the shooting was intentional. The load of shot took effect in the back of his head and took all the top of it off, death coming immediately.

There were no white men at work around the saw mill and only the negroes saw the shooting.

# THE ANDERSON TEAM BEAT SPARTANBURG

FINAL SCORE WAS 19 TO 0 FOR LOCAL HIGH SCHOOL

## FORWARD PASS

Was Used to Perfection—Three Touchdowns and One Goal Made the Points.

The Anderson high school defeated the Bethel school of Spartanburg in an excellent game of football at Buena Vista Park yesterday afternoon by the score of 19 to 0.

The game was a good one, both teams fighting for every inch of ground and most of the playing being the forward passes, making the game open and more interesting to the spectators. Anderson started into the game with serious misgivings, for somehow they did not get the team they expected, but rather, a heavy one, a team which outweighed the Anderson boys several pounds to the man. They went into the game however, and played a good, steady one. They showed the benefit of good practice and played rings around the Spartan lads.

The final score of the game was 19 to 0 in favor of Anderson. The scoring was done with three touchdowns and one good goal. The scoring was as follows. In the second quarter, with the ball near Bethel's goal, Smith, an Anderson end, got away from the line and received a beautiful forward pass from Jones over the goal line. This play was a beautiful one. It worked to perfection, and several times, gains of twenty to thirty yards were gained on the forward pass by both teams. In the third quarter, Anderson, on their own 15 yard line, began a series of battering rushes against the Spartanburg line and ran over the heavy line for the entire length of the grounds. They carried the ball straight up the field without once resorting to the forward pass or a kick. All end runs and line rushes showed that the local lads are as good on the pass playing as they are for the fast open work.

The third goal was made on a fluke. Jones intercepted a forward pass and ran through a broken field for a touchdown. Kay kicked goal on the second touchdown, the ball striking the post and bounding in the air, then descending and striking the bar the second time, falling over the right way for the extra point.

Excellent work by Kay, Smith, Jones, Barton, King, Pagett, and Smith N., featured the game for Anderson. The other team while all good big men and game, were disorganized before the regular work of the Anderson team.

The high school has a good team this year. They are all local boys and are playing good ball. They put their spirit in the game and are deserving of the support of the town. Another thing which is commendable is the way the high school boys and girls, as well as a number of town people turned out to see the game. This spirit is good in a school and is a pleasant relief to see the good crowd out to see a game, when it is remembered that for several years, the school teams played with hardly an audience at all. Turn out and see the next game. The boys deserve it.

## AMERICANS IN THE FIGHT

Foreign Legion Wins German the Trenches.

(Paris Dispatch to Sun.)  
D. W. Thorin of Canto, S. D., received a letter today from Kiffin Rockwell, an American in the French Foreign Legion, dated "Red Cross Train, October 1."

"Am wounded in the attack (in Champagne) we made on September 23," writes Rockwell. "I got hit in the back and head, but not seriously hurt. I don't know how the rest of the bunch fared except Trinkard, whom I met with a couple of bullets in the left shoulder. But he seemed quite cheerful."

"We got all shot to hell. Battalions A1 and A2 suffered more from the flank fire of the German machine guns. It was a fine death trap for the Legion."

"You should have seen the attack! All the boys stuck to it and carried the boche trenches and the forest where the Germans had a strong position. I tell you those boches got away quick and lively."
